Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Saturday 11 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Wet and windy.

Today:
It will be cloudy with outbreaks of rain, the rain heaviest during the morning, turning lighter and more patchy in the afternoon. Milder with fresh south or southwest winds. Maximum temperature 11 deg C (52 deg F).

Tonight:
Any rain soon clearing into the Irish Sea with much of the night dry with well broken cloud. The odd shower possible around Lough Foyle and winds easing. Minimum temperature 3 deg C (37 deg F).

Sunday:
Dry start, but patchy rain soon pushing into Fermanagh and parts of the south, the rain becoming widespread in the afternoon. Turning very windy in the evening with blustery showers. Maximum temperature 10 deg C (50 deg F).

Outlook for Monday to Wednesday:
Winds soon easing on Monday, then mainly dry and bright. Windy and mild with occasional rain on Tuesday. Bright and breezy with the odd shower around the north coast Wednesday.
